

Dear Exhibitor

Thank you for your interest in the 2012 Sacramento Boat Show. The 2012 Sacramento Boat Show is the largest power boat show in Northern California.

Again this year the annual Spring RV Show will run parallel with the Sacramento Boat Show and will merge marketing efforts to maximize the attendee base. This means greater exposure and a more diverse audience with significant potential to meet new customers.

Featuring lots of boats from 8 feet to 35 feet and houseboats to 70 feet, this event is the place to find Wakeboard and Ski Accessories, as well as the largest selection of tournament style and family ski boats in the Sacramento Valley. Thousands of square feet of fishing boats including Bass, Sport, Rogue River and saltwater styles are on display.

Like last year the show also features an Off-Road Vehicle section exhibiting ATVs, Off-Road Motorcycles, Snowmobiles and more.

This show has a strong show record. Every year thousands of lifestyle enthusiasts come together to see what's new and shop for outdoor recreation products and services.

The space available will be assigned on a first come first serve basis. Please contact me as soon as possible, in order to secure your space. Don't miss this great opportunity to show off your products and services.
